

For Steph

“A girl rescued me.  
She was singing.  
She had the most  
beautiful voice.”

- Prince Eric

Steph, I'm so lucky that we met that night at the Monkey.

I love our karaoke nights together, and I love the happiness and joy that you find in singing.

“Remember, you’re  
the one who can fill  
the world with  
sunshine.”

- Snow White

I love the laughter you find in everyday life.

We’re different in that way, and you’ve shown  
me that it’s OK to, well, not be so serious all  
the time.

Thank you.

“You must not let  
anyone define your  
limits because of  
where you come  
from. Your only  
limit is your soul.”

- Gusteau

I'm proud to call you my partner. I can't wait to see what you do at The Elliot.

You're going to touch so many people, and they're all fortunate to have you there, to see their dreams take shape.

I promise to be your partner, to support and trust you, to the best of my ability.

“Love is putting  
someone else’s  
needs before  
yours.”

- Olaf

Thank you for accepting my boys and helping us grow together. I’m so grateful for the love and care that you show with them.

I didn’t know that all this time, we were building a family.

“Because when I look  
at you, I can feel it.  
And I look at you  
and I’m home.”

- Dory

While I was sad to leave my old house behind, I’m far more excited to start in a new house with you, to grow in it together, and to make it a home – our home.

But, you know, it’s not really about a house. It’s about a place with you in it, where you brighten the space with your character and ideas.

And plants. Lots of plants.

**“Maximum effort!”**

- Deadpool

I promise to make you a priority in my life and to share myself with you.

When we meet challenge and adversity, I will be by your side, forever.

I promise to give you my best, every day, for as long as I'm on this earth.

“Any day spent with  
you is my favorite  
day. So, today is my  
new favorite day.”

- Pooh

Every morning I wake up next to you is a blessing.

I promise not to waste it. I promise to look for joy and excitement with you, to find new adventures and face our challenges together.

And I look forward to every single day that I get with you.

“I could kiss you. I  
could. I mean, I'd  
like to. I—may I?  
We me? I mean,  
may we? Wait,  
what?”

- Kristoff

I love you, beautiful.

Let's do this.

I love you 3,000.
